### **Performer Check-in:**

Performing members will be stamped at registration. There will be ten (10) passes in the director's packet at registration to be given out by the director to staff, chaperones, etc. All performing members must be stamped when checking in. Additional staff members or parents over the 10 wristbands may purchase tickets. Please make sure everyone in your group understands this process. Units must check in one (1) hour prior to their performance time.

### **Admission:**

All tickets are general admission and will be on sale 1 hour before the contest starts at a cost of \$8.00 per person. Children five and under are free. Contest Programs are \$2.00

### **Props and Floors:**

You will have an assigned space for your group to hold props and floors in the hall way connecting to the main gym. Please be respectful of other groups' property.

Special Note: Rule 4.7 on page 77 of 2009 WGI Colorguard Handbook

All props/equipment carts must be able to fit through a standard size (36") single door. No timing exceptions will be made for oversized props. Props will not be allowed in the competition area before the color guard's performance time.

### **Dressing Facilities:**

Dressing rooms will be open for the performers to change. Please vacate in a timely fashion to allow space for other guards and percussion groups. ***Sun Valley High School and the Carolina Winter Ensemble Association will not be responsible for any lost, stolen or damaged property.***

**Show Music:**

Music should be turned into the sound technician at least 30 minutes prior to the unit's performance. A CD player will be provided for your use. You may use your own deck and plug into the sound system provided (please arrive earlier if you wish to do this). Please bring all necessary cords

**Sound Check:**

Sound Checks can take place before the competition and during breaks in the competition.

**Inspection:**

Equipment and props will be inspected in the holding area prior to the performance.

**Warm-ups:**

There will be ample space provided for your unit's preparation for the show. There will be a body warm-up area and an equipment warm-up area. The body warm-up area is our Auxiliary Gym. The equipment warm-up area is a full size gym just outside the main gym. We request that you adhere to the rotation schedule to keep the show on schedule. These facilities are all inside and very close to one another. This should allow you to report to the holding area at your designated time.

**Staging Area:**

It is important that the hallways in and around the main gym remain quiet during performances. As your unit moves, please have them move in single file lines so that the hallways will be less congested.

**Floor Size:**

Contest floor will be at least 60' x 90' with sufficient room at the end. We will have a white floor covering the gym floor for protection. If you are bringing a floor, your floor will go over the white floor.

**Timing and Penalty**

You may obtain the latest Timing and Penalties update from the CWEA website. Go to [www.cwea.us](http://www.cwea.us) and click on the "Resources" tab at the top of the page.

## **Equipment Padding**

Please have all of your equipment and props padded and taped appropriately. We will be checking it closely before performance and court time. Units without appropriate padding will not be allowed to perform. Show floors are not considered proper padding. You can receive penalties and/or held accountable for damage. Floor carts must have clean working wheels. Percussion units are reminded to tape the bottoms of everything that comes in contact with the floor ex: bottom of timpani pedals, bottom of vibraphone pedals, keyboard stands, cymbals stands, etc.

## **Equipment Removal:**

All equipment **MUST** be removed from the gym immediately following your performance.

## **First Aid:**

First Aid will be located in the area where groups enter the performance facility.

## **Tabulating and Judging Area:**

Only authorized personnel will be allowed in the tabulating and judging area. **DO NOT APPROACH THE TABULATION TABLE!** You can pick up your judges tapes and show music at the announcer's table approximately 30 minutes after your performance.

## **Retreat:**

Retreat will be at approximately 8:00 pm and will be captains only. Following an announcement captains are to report to the main floor for the awards ceremony

## **Photography:**

No flash photography will be allowed as it is a distraction and will lead to dangerous situations.

## **Air Grams:**

We will have guard grams at a cost of \$1.00 each. The announcer will use discretion when reading them. Inappropriate messages will not be read and no refund will be provided.

### **Concession Stand:**
